

The SupplyPro Core Series for Cutting Tools / Abrasives

The SupplyPro Core Series has been developed to help clients add inventory control with a simple SmartDrawer™ and/or SupplyBay package. These basic packages give clients the opportunity to see the benefits that inventory control can bring – both to inventory management as well as the corporate bottom line – without making a large capital investment.

The Application:

- Managing cutting tools/abrasives on a distributed basis
- Generating replenishment in a manner that:
 - Optimizes inventory levels
 - Virtually eliminates stock-outs

The Need:

- Improve productivity by bringing material to the point-of-use
- Gain control over distributed supply and tool inventories
- Increase accountability of inventory spend
- Gain access to information regarding material usage

Improve Productivity and Inventory Control

SupplyPro Core Series Benefits:

- Product availability at the point-of-use
- Reduced spend
- Reduced on-hand inventory levels
- Lower procurement costs
- Increased productivity
- Accountability and information
- Vendor consolidation

SmartDrawer™ CoreCut Series Options

The CoreCut Series harnesses the power and flexibility of SmartDrawer™ – allowing users to choose the best level of access control and accountability for each application. Drawers can be set to provide part number control for single-item dispensing and check-out/returns, or it can provide high-density storage. The choice is yours.

The CoreCut Series comes in three size options for optimal tailoring to your specific needs.

SmartDrawer™ - CoreCut Series Options	CoreCut Small	CoreCut Medium	CoreCut Large
SupplyLink Controller with Card Reader	1	1	1
Vidmar Model 245 Cabinet	1	1	2
4-lid SmartDrawer	0	1	2
8-lid SmartDrawer	1	1	2
16-lid SmartDrawer	3	2	4
24-lid SmartDrawer	2	1	2
SmartDrawer Box Dispenser	0	1	2

SupplyBay Plus - CoreBay Cutting Series

The Most Versatile, Industrial-Grade Vending System Available

Performance engineered for harsh, industrial environments, SupplyBay Plus delivers reliable dispenses year-after-year. Designed to handle high-volume throughput and provide trouble-free dispensing for a wide range of industrial tools and supplies such as:

- Cutting tools
- Welding supplies
- Gloves
- Safety supplies
- Batteries
- Maintenance items
- Shop supplies

The Advantages of SupplyBay Plus:

- Adjustable trays and dividers
- Configurable tray heights
- Smart motor technology – prevents motor burn out
- Large variety of risers, spacers and dispense aids
- Dual motor helix options
- Clear front option
- Heavy-duty weight capacity

CoreBay Cutting Series Options

This series is available with either a key pad (Version 1) or SupplyLink module (Version 2) for driving the device. You decide which option is right for your facility depending on its environment. Both versions communicate with SupplyPort for data management and reporting.
