

SupplyBay™ 3.0

Absolute Control® in a Rugged Solution that is Simple to Use and Cost Effective

SupplyBay 3.0

The Best Return on Investment in Helix Dispensing

SupplyPro's SupplyBay 3.0 is engineered for harsh, industrial environments to deliver reliable high-volume dispenses year-after-year for a wide range of industrial tools and supplies including:

- Cutting Tools
- Welding Supplies
- Safety Supplies
- Batteries
- Maintenance Items
- Shop Supplies

SupplyPro

Fail Safe Technology

- Secure transaction capture in the event of an Internet failure using "store forward" technology
- Items selected in error can be placed in the return slot for re-entry to stock
- Servers hosted by AT&T at their regional operations center
- Plug and Go technology!

Plug and Go!

SupplyBay 3.0 is a low-cost investment that brings a high rate of return immediately to any facility. It's not just a machine for dispensing, with SupplyPro you also get SupplyPort, the industry's leading data management backbone, and our full staffing for implementation and on-call support services. Find out more today!
