

SupplyTower

Tall, Narrow Material Storage in a Slim Locker Footprint

SupplyTower

Unique Solution for Managing Narrow Items up to 48" Long!

The SupplyTower is a locker solution designed specifically for items that are tall and narrow, like torque wrenches. Rather than placing materials in a crib where access is either limited or open for anyone to take, the SupplyTower provides 24x7x365 access for items previously too long to fit in a standard locker.

SupplyPro's patented take and return capabilities provide easy check-in/check-out of materials with full transaction tracking and applicable business rules from SupplyPort.

The 12-door SupplyTower is ideal for:

- Torque wrenches
- Fall protection
- Gages, instruments
- Bolt/Wire cutters
- Weld wire
- Grabbers/pickers

The SupplyTower is an excellent addition to any SmartDrawer, SupplyBay or SupplyLocker installation. Ask your SupplyPro rep for more information!

- Secure transaction capture in the event of an Internet failure using "store forward" technology
- Items selected in error can be easily returned
- Servers hosted by AT&T at their regional operations center
- Plug and Go technology!

PLUG AND GO!

The SupplyTower can be used with SmartDrawer, SupplyLocker and SupplyBay

SupplyTower Door Sizing Summary		
Style	Dimensions HxWxD	# Doors
A	18.8"H x 6"W x 22"D	3
B	47.8"H x 6" W x 22"D	3
